GEMSTONE WARRIOR was designed by Peter Lount and Trouba Gossen.

■ PLAYING TIME: 1/2 to 2 Hours. ■ Option to save game in progress.

Box cover design by LOUIS HSU SAEKOW and JAMES C. SOMMERVILLE.

- Search for five pieces of a magical Gemstone.
- Smoothly scrolling display lets you explore 90 maze-like caverns and rooms.
- Control the Gemstone Warrior with key, board or joystick to move, fire and search.

- Carry and use up to 15 magical objects.
- Battle up to 8 different monsters by shooting crossbow arrows or fireballs.
- Options include saving game, freezing action, and selecting different levels of play.

Hear Ye, Brave Warrior, THE TALE OF THE GEMSTONE

At the dawn of time, the Creators of Heaven, Earth, and the Netherworld entrusted the magical Gemstone to Mankind. Using the Gemstone to focus the Earth's natural magic, Man was able to create a veritable Paradise. Prosperity and happiness spread far and wide in the Golden Light, and peace reigned supreme for time immemorial...

...Until now — for the Wave of Darkness has extinguished the Golden Light. Stricken with envy and greed, the loathesome creatures of the Netherworld have stolen the wellspring of all that is good: The Gemstone! Not content with the depravity of their theft, they dared to split asunder this Gift of the Gods into five pieces!

The time has come, brave warrior, for you to descend into the Caverns of Horror. You must call on every ounce of courage, strength and will as you fight your way

through the treacherous labyrinths guarded by black-hearted Demons and their base servants. Locate all five Pieces, and return the Gemstone to the temple altar.

Like those who have gone before (and never returned), you carry the prayers of all Mankind.

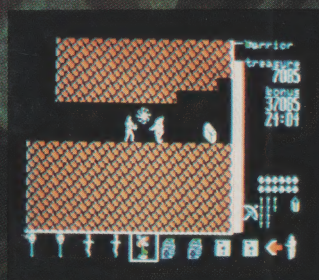

GEMSTONE WARRIOR is more than an exciting arcade game. It gives you the thrill of heart-pounding, real-time action, beautifully animated Hi-Res color graphics — and strategy.

The Gemstone Warrior is a thinking being. Crossbow, fireballs and magic are only part of his arsenal. He carries one more weapon which sets him apart: WISDOM.

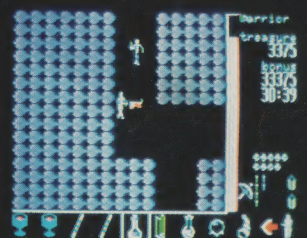

You must provide his wisdom. We will provide the rest.

SCREEN DISPLAYS ARE FROM THE APPLE®. DISPLAYS FROM OTHER COMPUTER(S) MAY VARY.

APPLE is a registered trademark of Apple Computer, Inc.

Finely-honed combat skills may defeat the host of hellish abominations; but sharp wits are needed to map the torturous passages lest you become forever lost.

Find and store treasures and magic items to help you along the way. Learn well the properties of each magic item: You may have only seconds to use one to save your life!
